RE: PAYMENT OF PROCESSING FEES INTO BANK ACCOUNT

The Relief and Rehabilitation Commission presents its compliments to Country Director and Heads of Mission of International Non Governmental Organizations (INGOs) and National Non Governmental Organizations (NNGOs) and wish to assure you of Relief and Rehabilitation Commission (RRC) commitments to continuously facilitate humanitarian operations across South Sudan.

Based on this commitment, the Relief and Rehabilitation would like to appreciate and thank you more sincerely for your commitments to deliver services to the people of South Sudan. As time for Registration fee waiver comes to an end, relief and Rehabilitation Commission has embarked on consultations with relevant government institutions on how best the issue of registration fee waiver should be addressed.

For the mean time, the Relief and Rehabilitation Commission would like to improve on the management of its financial resources, and would like to inform International and National Non Government Organizations to only do financial transaction with the department of Finance of Relief and Rehabilitation Commission and strictly pay the processing fee into officially designated Bank accounts of the Relief and Rehabilitation Commission in CfC Stanbic Bank.

Please accept the assurance of the Relief and Rehabilitation Commission commitment and highest regards.

Hon. Santino Bo Muoter
