Subject: Extension of Renewal of NGOs Certificates in the Republic of South Sudan

Following the fighting that erupted between the presidential guards and the guards of the former 1st vice president at presidential palace on the 8th July 2016. As a result many NGOs fled the country and the process of registration was interrupted for a period of one week.

Therefore; this note serves to inform all NGOs operating in South Sudan that the registration deadline has been extended for two weeks. The registration started on 01/06/2016 and will end on 15/08/2016.

The office of Registrar General of NGOs advises all NGOs to complete their registrations process before Aug 15th, 2016.
