Sub: Landing fee for commercial plights in the SPLM/A IO held territories

Dear colleagues,

I would love to bring to your attention, that based upon the number 006 directive, on 25.11.2016, by ROSS Executive Director, Cde. Yien Thiang Luony, which said that....all the flights coming to SPLM/A IO controlled areas, with exception of ICRC run plights, must give at least 48 hours' notice, in the same line, I would like to inform all NGOs that all plights, landing in the SPLM/A IO controlled territories are chargeable with \$ US 300 only (three hundred US dollars only) and this will come into force on 29. 11. 2016, except UN marked planes.

I would be grateful if you could put this into consideration.

I look forward to cooperating with you.

Yours in humanity service,

Gatkuoth Lok
