**Subject: Registration of NGOs in the Republic of South Sudan**

As you may be aware of many circulars from various government institutions on who is registering NGOs in South Sudan, after assent of the Non-governmental organization act, 2016 by the President of the Republic on 10<sup>th</sup> Feb, 2016; therefore the New Sudan Non-governmental Organizations act, 2003 that mandated Ministry of Justice to register and license NGOs has been repealed. Registration and Licensing of Non-governmental Organizations is fully defined under Relief and Rehabilitation Commission Act, 2016 and under section 8 of NGOs act, 2016.

Anything concerning NGOs registrations is a mandate of RRC, there is no other government institution mandated to do that as per NGOs Act, 2016 and RRC Act, 2016. If you and your organizations are required to register by other government entity in the Republic South Sudan, first enquire from RRC before you make any decision regarding a parallel registration.

The office of Registrar General thanks all NGOs that have come to register and renewed their certificates.

Best regards,

**Deng Tong Kenjok**
