

REPUBLIC OF SOUTH SUDAN
NORTHERN LICH STATE – BENTIU
MINISTRY OF FINANCE
MINISTER'S OFFICE

TO: UNOCHA

BENTIU OFFICE

SUBJECT: PERSONAL INCOME TAX (PIT) FOR THE NATIONAL STAFF
LOCALLY RECRUITED BY VARIOUS NGOs

In accordance with the above subject, and reference to the national directorate of taxation letter no ref, and dated November 22nd 2016, regarding the payment of the Personal Income Tax (PIT), which stated that the PIT for national staff recruited locally be paid to the states, I am therefore writing to your esteemed office seeking for the remittance of the above Tax to the Ministry of Finance, Labor Public Service of Northern Liech state

Secondly, provision of all the names of those recruited both locally at the state or those recruited at the national levels to help us identify what belongs to the state and what is meant for the national taxation directorate

Thirdly, any recruitment of the national staff at the state level should only be done through the state public service office and not elsewhere as it used to be. Find attached copy of the national directorate of taxation letter

Your cooperation will be highly appreciated

Regards

Hon. Malual Tap Dieu

To: whom it may concern

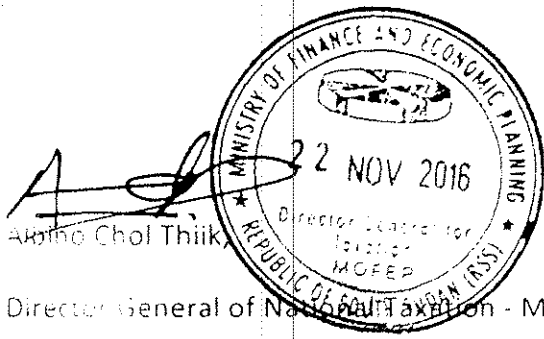

Subject: Payment of PIT Withholding to the State

There have been substantial efforts made between National Government and state Government to increase the cooperation. The efforts began with the formation and convening of the Inter-Governmental Fiscal Relation (IGFR) Task Force whose recommendations were approved by the National Council of Ministers in January 2012. In subsequent joint meetings between the Minister of Finance and Economic Planning and the State Ministers of Finance, an agreement was reached on a number of issues including the pledged cooperation between the state and national staffs responsible for collection of revenue. Under agreement reached, a centralized collection policy was implemented under which the National Government would collect Excise taxes on behalf of the then states. In addition, a sales tax would be established which would be shared 50/50 with the States. In exchange, states agreed to abandon their system of roadblocks that were adversely impacting the economic growth of South Sudan and stop collecting excise tax and the equivalent of a sales tax.

In this regard I write to inform your company/organization that the employee's personal income tax (PIT) for those recruited locally within the state is paid to the state and those recruited at national level but worked in the state their PIT withholding is paid to National Directorate of Taxation. All organized forces (Police Wildlife, fire brigade and prison warders) working in the states their PIT is Paid to central Government collected by National Directorate of Taxation.

If you have any further questions regarding the authority of the National Directorate of Taxation please contact the Director General of National Taxation.

Regard,

Alpho Chol Thiik
