Ref: One Week Extension for Humanitarian Agencies

The office of the Commissioner General presents its compliments and would refer to your letter dated 5th June 2019 on above subject.

Kindly note that in accordance with **Taxation Act, 2009 as amended in 2016**, and the **Republican Order No.29/2017** issued by the H.E the President of the Republic of South Sudan, all Humanitarian Agencies including movement of Humanitarian Assistance Convoys in the Republic of South Sudan are free from any fees, charges and levies.

Furthermore, implementation of any fees, charges and tax rates in the Republic of South Sudan must be included in the Financial Bill and approved by the Parliament.

In this regard, I would like to request the suspension of all fees and charges against Humanitarian Convoys and the Authority should take steps to provide them free, unimpeded and unlimited movement.

Kindly note that, the 2019/2020 Financial Bill is before Parliament for consideration, hence any new fees, charges and rate without Parliamentary approval have to be suspended.

Please attached a copy of the Republican Order.

Please accept the assurance of my highest consideration.
