**Subject: Request for the CVs and Certificates of Qualifications of Health Workers in NGO's Operating in Clinical Settings.**

Dr. Ojara,

In reference to the above mentioned subject, I would like to request from all NGOs working in the Health Sector to provide CVs and Certificates of Qualifications of their workers who are operating in clinical settings. These credentials will then be assessed by a team from the Ministry of Health, the South Sudan General Medical Council and the College of Physicians and Surgeons. The aim of this assessment is to ensure that all health workers are recognized and registered.

N.B: The targeted workers are: Medical Doctors, Nurses, Pharmacists, Lab Technicians and Midwives. Each credential should be provided with USD 50, which will be an administration fees for the panel of inspectors.

Best Regards,

  
**Dr. Mayen M. Achiek**  
Undersecretary,  
Ministry of Health  
Republic of South Sudan.
