CIRCULAR No. 03/2021

To: All Non-Governmental Organizations

Cc: South Sudan NGO Forum

Re: Suspension of Withholding Tax on Pension Fund/National Social Insurance Fund

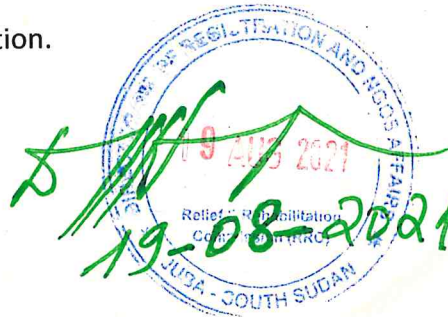

This Circular serves to inform all International and National Non-Governmental Organizations about Circular dated **March 2, 2021** from the Deputy Commissioner General of the National Revenue Authority (NRA), with references made to Circular **RSS/NRA/DCG/J/19**, **RSS/MOFP/USF/J/13/8** from 1st Undersecretary Ministry of Finance and **RSS/MOL/MO/J/13/9** from the Ministry of Labour on the Suspension of taxation of National Social Insurance Fund.

The ruling directed all organizations to pay the Social Insurance Fund to the affected employees without tax.

In this regard, all organizations should adhere to the March 2, 2021 Circular issued by the Deputy Commissioner General of the National Revenue Authority. Any other grievances by employees prior to that circular should be addressed to the Ministry of Labour for further clarification.

Accept the assurance of my highest cooperation.
