**SUBJECT: REGISTRATION AND LICENCING OF MEDICAL PRACTITIONERS**

The South Sudan General Medical Council (SSGMC) is an autonomous body responsible for the registration and regulation of medical, dental, and pharmaceutical professions as well as regulation of health institutions and services in the country. It was established through the SSGMC Provisional Order, 2014 issued by H.E. General Salva Kiir Mayardit, President of the Republic of South Sudan on the 10<sup>th</sup> of April 2014.

The SSGMC registers and licences Medical Doctors, Dentists and Pharmacists in both Public and Private sectors. It also licences medical institutions, Hospitals, Nursing Homes, Clinics, Teaching Hospitals.

The mission of SSGMC is to ensure high standards of education, training, and practice among doctors, by providing oversight to medical training and licensing of healthcare providers and practitioners.

The SSGMC is hereby requesting all the medical practitioners from all the sectors to register within the given time frame; **1st September 2021- 30<sup>th</sup> September 2021**. Kindly refer to the below requirements for the registration and licencing process.

**Mandatory Requirements.**

- i. Copy of National Identification Card/Passport
- ii. Four current coloured passport photo size photos
- iii. Certified copies of professional certificates and transcripts
- iv. Introduction letter/job offer from the institution
- v. Copy of registration certificate and status of registrations
- vi. Copy of current/last practice licence
- vii. Copy of current Curriculum Vitae (CV)
- viii. Registration and Licence fee
