Dear, Deputy Chair

Re: Cancellation of standing Orders issued by Deputy Chairperson.

The Chairperson of Relief and Rehabilitation Commission has learnt with great concern issuance of multiple orders by Deputy Chairperson, on 14th Oct, 2021, 22nd Oct, 2021 and 29th Oct. 2021, directing all Humanitarian Organization Operating in Central Equatoria to comply with series of measures including payment of fees, permits to conduct needs assessment among others.

These directives were made without prior consultation and have obstructed Humanitarian operations and delivery of critical lives saving items in Central Equatoria State. I therefore write to direct immediate cancellation of the orders until proper consultations are undertaken in accordance with RRC Act, 2016 and NGO Act, 2016.

Find attached herewith photo copies of the previous orders now cancelled.

Regards and Best Wishes.
